

EMERGENCY SHELTER GRANT (ESG) PROGRAM

Emergency Shelter Grant funds are used for a variety of programs to address the needs of the homeless and near homeless in Cobb County. The needs for emergency and transitional housing are met by providing:

- Shelter Renovations;
- Dormitory style, short-term shelters;
- Scattered-site transitional housing units;
- Hotel/motel short-term overnight accommodations; and
- Dormitory-style transitional housing for single men.

All programs provide access to a broad range of other services including:

- Case management;
- Counseling and Prevention;
- Employment assistance;
- Life skills;
- Health care;
- Child care; and
- Transportation.

- Parks and Recreation facilities;
- Neighborhood streets and utilities; and
- Facilities to ensure their compliance with the Americans with Disabilities Act [ADA].

The CDBG Program has also provided funding assistance for many Cobb County non-profit and faith-based organizations to:

- Acquire land and build new facilities;
- Renovate/expand existing buildings;
- Provide after-school programs and day care;
- Domestic violence and family crisis Intervention;
- Literacy programs;
- Employment training and Microenterprise assistance;
- Senior services;
- Transportation; and
- Health services.

HOME INVESTMENT PARTNERSHIP ACT (HOME) PROGRAM

HOME Program funds are used to increase access to affordable housing for low and moderate income individuals and families in Cobb County through:

- First-Time Homebuyer Down Payment Assistance Program; and
- Acquisition and Development of New Affordable Housing.

HOME Program funds are also utilized to eliminate substandard housing conditions of low and moderate income individuals and families through rehabilitation or reconstruction of substandard housing in Cobb County.

HOUSING REHABILITATION PROGRAM

The CDBG Program Office Housing Rehabilitation Program primarily focuses on eliminating substandard housing conditions for low to moderate income homeowners of Cobb County through renovation of their homes including:

- Emergency repair loans;
- Emergency repair grants; and
- Deferred payment loan programs.

These programs make homes more livable for the homeowners, increase property values, and serve as a catalyst for neighborhood revitalization.

The Housing Rehabilitation Program also increases housing and supportive services for individuals with special needs by renovating homes to meet the needs of disabled family members.
